What is the role of the Community Safety Partnership?

Hounslow Community Safety Partnership (HCSP), established in 1994, is the multi-agency partnership responsible for:

• reducing crime, disorder and substance misuse in the London Borough of Hounslow;

• improving the quality of life overall for those who live, or work in, or visit the borough.

Since 1998, the HCSP is responsible for the Crime and Disorder Audit and the Crime Reduction Strategy (their production is a statutory requirement under the Crime & Disorder Act 1998).
Who are the Community Safety Partners?

Along with other supporting partners (listed at the end of presentation), HCSP brings together key local agencies including:

• London Borough of Hounslow

• Metropolitan Police Service (Hounslow Division)

• Hounslow district of the National Probation Service

• Hounslow Primary Care Trust

• London Fire and Emergency Planning Authority

• Metropolitan Police Authority
Who are the Neighbourhood Community Safety Coordinators?

The Neighbourhood Community Safety Coordinators are currently based at the 5 police stations across the borough, working alongside the Safer Neighbourhood Teams:

- Feltham and the West Area
- Heston and Cranford
- Hounslow Central
- Brentford and Isleworth
- Chiswick
What is the role of the Neighbourhood Community Safety Coordinators?

The Neighbourhood Community Safety Coordinators are responsible for taking the lead role in coordinating work around reducing crime and anti-social behaviour in a designated area of the borough by:

• Working with partner agencies and residents;

• Developing a range of innovative ways to promote community involvement and build public confidence, reassuring people that crime is being tackled swiftly in their area;

• Ensuring diverse communities and hard to reach groups are also engaged in the community safety agenda;

• Applying a problem solving approach to tackling neighbourhood issues.
What type of work has been taking place in Hounslow Sector by the Neighbourhood Community Safety Coordinator?

- Dealing with local community safety issues in: problematic hotspots, empty buildings, alley ways, parks, street drinking, crack houses, brothels, etc.;

- Promoting partnership work and building public confidence that LBH and Met Police are working together to tackle crime and ASB;

- Engaging with local residents, groups and communities from a wide range of backgrounds, encouraging social inclusion and active participation;

- Overseeing the work of the Hounslow Anti-Social Behaviour Action Group (HASBAG);

- Community Safety Action Group Pilot.
What work has been taking place in Hounslow by the Neighbourhood Community Safety Coordinator?

- Dealing with cases referred by local residents, businesses, the Met Police, London Fire Brigade, various LBH departments, etc. by applying a multi-agency problem solving approach;

- Delivering and participating in You Said We Did events: Bulstrode Rd Clear-Up, Hounslow South Road Safety Project, Montague-Lampton Clear-up, Disability Awareness Project, Hounslow Heath Clear-up;

- Developing community safety projects: Lampton-Montague Alley-gating scheme, Bulstrode Regeneration, Central Avenue Project;

- Promoting partnership work and public reassurance: Targeted Calling Consultation (LFB), Crime Prevention stalls, ASB Perception Survey Project, home and site visits, public meetings.
